Bank of America

Jan 2015 – Present • 2 yrs 9 mos

Greater New York City Area

Led development of cross-bank payments strategy which spanned Consumer Bank, Small Business, Commercial and Corporate Bank, Merchant Services and Global Technology & Operations. Strategy approved by Board of Directors and new role created to lead initiatives. Oversee coordinated payment strategy which connects all the bank customer segments and spans person-to-person payments to business-to-business payments with product and technology innovation to improve the payments experience. Lead critical payments partnerships including representing Bank of America on Boards of payment-related investments including Early Warning Services where I have served since 2009.

**Head of Global Principal Investments, Managing Director**

Bank of America

Jul 2006 – Present • 11 yrs 3 mos

Greater New York City Area

2006-2015: Head of Global Principal Investments (2009-2015)
Managing Director Head of Global Principal Investments
Led Bank of America venture capital/principal investment teams including both Strategic Investment and Legacy Investment teams. Teams pursued global investment opportunities primarily in FinTech while actively liquidating non-core portfolios. Sourced, structured, underwrote and then managed strategic investments including to ultimate monetization. Served as board member including Chairman of the board for global portfolio companies.
